

State Senator **NANCY CASSIS** *E-NEWS UPDATE*

February 18, 2005

Dear Friends,

The recent revenue estimating conference showed us how much money the state will have to spend for fiscal year 2005-06. With the governor's State of the State address out of the way and her budget proposal released, the groundwork has been laid for the Legislature to start working through the budgeting process.

During the next several months, I will conduct a series of town hall meetings to discuss your priorities for state government. I want to hear from you what specific programs you would rate as top priorities for a thriving economy, whether education, health care, transportation or public safety, etc.

The first Town Hall Meeting is:

Monday, February 28

Milford Township Office
1100 Atlantic Street
Milford, MI 48381
Meeting Room

The meeting will take place from 6:30 to 8 p.m. I hope you take this opportunity to attend and share your thoughts and ideas so that I can be an effective voice in Lansing on your behalf.

I look forward to seeing you at one of these events.

Sincerely,

Nancy Cassis
State Senator
15th District
